

**Amendments to the Specification:**

Please replace the first full paragraph on page 9 with the following amended paragraph:

The flight bag 100 also includes a gap 154 (Figs. 2-3) inside the organizer flap 122 between the base of the interior surface 128 and the central pocket 104. The gap 154 is sized to receive any pilot knee board such as are commonly used in the industry and widely available from a variety of sources. One example of a knee board 300 prior to insertion into the gap 154 is shown in Fig. 12.

Please add the following new paragraph after paragraph 7 of page 4, which begins with “Fig. 12 is...”:

Fig. 13 is a flow chart illustrating a method of packing aeronautical maps according to one aspect of the present invention;

The amendments and the new paragraph do not include any new matter.
